The mansion at 212 15th Street in Atlanta just sold for \$2.68 million — the highest Ansley Park sale on record in First Multiple Listing Service (dating back to 2009).

The 6,103-square foot home was originally built in 1920 and was renovated in 1968 and 1996 by Henri Jova of Jova/Daniels/Busby. It has five bedrooms, five full bathroom and one half bathroom and sits on 0.63 acres.

According to Trulia.com, the average list price for Ansley Park is \$958,000. The home was originally listed for \$2.95 million.

Mikel Muffley, Realtor and founder of Muffley & Associates Real Estate, represented the buyer in the closing of the home.
